

Job description

We are currently seeking a **Full Time** Behaviour Support Practitioner to join our team. You will support children and adults to participate and have choice and control over their life by providing high quality, culturally appropriate, behaviour support services to individuals with an intellectual disability.

In this role, you will be responsible for completing assessments, planning, monitoring and reviewing client outcomes. You will be part of a multi-disciplinary team that may include family members, support workers, school teams, Physiotherapists, Speech Pathologists, Support Coordinators, Occupational Therapists and others. We provide services across the Sunshine Coast and Moreton Bay region.

You will have :

- Have completed NDIS workers screening check or have valid blue and yellow card
- Experience conducting a Functional Behaviour Assessment
- A strong understanding of restrictive practices
- relevant tertiary qualifications
- strong verbal and written communication skills
- the ability to manage a caseload
- at least 2 years experience in the delivery of positive behaviour support services to those with intellectual disabilities
- an ability to communicate and appropriately respond to the needs of people of all abilities and cultural backgrounds
- experience working as part of a multi-disciplinary team
- ability to provide individualised services
- ability to assess and analyse data
- current QLD drivers licence, reliable vehicle and willingness/ability to travel to clients

Salary: \$72,960 - \$82,080 plus travel allowance
